VELO-CITY GLOBAL 2014 CELEBRATION OF CYCLING
ADELAIDE, MAY 27-30

MORE THAN JUST A CONFERENCE…

TUESDAY 27 MAY 2014							Adelaide Convention Centre

0900–0950	Coffee on arrival						Velo Exchange
0930-0950	Kaurna Smoking Ceremony						Atrium Courtyard
1000-1210	Opening Ceremony						Hall A,D

	Master of Ceremonies						Adam Spencer
	Welcome to Velo-city Global Adelaide 2014			Lord Mayor of Adelaide Stephen Yarwood and The Hon Stephen Mullighan MP			
	Kaurna Welcome						Jack Buckskin
	The global state of cycling						Manfred Neun
	Young people's views on personal transport: freedom, mobility and independence - performance followed by facilitated discussion						Cirkidz
	The five sense in the life sized city						Mikael Colville Andersen
	Cycling Luminaries Award - First nations						
	Cycling Luminaries Award - Cycling for the next generation (Australia)						

1210-1340	Lunch					Velo Exchange	1330-1530 Bike Art Trail guided tour
1340-1520	Are we giving cycling a boost with e-mobility?	Getting more young people cycling now	From car-centric to bike-centric: cultural reframing	Cycling in developing and emerging countries	Mobilising action on cycling	Treating our streets as public space	From policy and plans into infrastructure action
Room	Hall A	Hall B	Hall C	Hall D	Hall E	Meeting room 1	Meeting room 2
Chair	Ceri Woolsgrove	Julie Holmes	Peter Lumb	Käthi Diethelm	Peter Bourke	Tanya Bacic	Fabian Küster
	Electric bikes, a missing link in increased cycling participation in Australia	Way2Go Bike Ed - Creating a cycling culture through school community leadership	The image of cycling and its impact on choosing to cycle	Developing a sustainable cycling culture in Africa - the Nigeria Tool Kit	How can we better engage the bike industry in cycle advocacy?	Is separation the answer to, or cause of, the difficult relationship between cyclists and other road users?	Creating Calgary's centre city cycle track network
	Marilyn Johnson	Krystil Ellis	Simon Kingham	Osita Chidoka	Phil Latz	Jonathan Daly	Blanka Bracic
	Electric bicycles: why do we fear them?	Do teenagers' attitudes to cycling differ in New Zealand and the Netherlands?	More than a message; 'creating cyclists through public safety advertising campaigns	Bike mobs: improving mobility for low-income earners in Windhoek, Namibia	BikeCitizens - a smart cycling promotion agency?	Cars are 1.9m wide. How much extra space do they really need?	Danish experiences with subsidy schemes
	Ton Daggers	Jillian Frater	Rachael Neilsen	Michael Linke	Daniel Kofler	Kate Simnett	Lars Moustgaard
	How does E-mobility influence road safety?	How to get more kids on bikes - engaging schools in the process	Metaphors applied to undermine car centricism in a beginner cycling community	The Herculean effort to promote cycling in India	The importance of bike tour operators	Targeting 30km/h and reclaiming our streets	Providing protected, separated and off-road cycle facilities in more challenging environments
	Bernd Hildebrandt	Jens Loft Rasmussen	Piotr Kuropatwinski	D V Manohar	Peter Eich	Phil Gray	Ina Stenzel

Right-side green boxes:
- 1330-1530 Bike Art Trail guided tour
- 1330-1530 Outer Harbor Greenway to St Clair by bike and train
- 1340-1510 River Torrens Linear Park in the city by bike

1520-1600	Afternoon Tea						Velo Exchange
1600-1800	Plenary						Hall E

	Place to place: changing the transportation paradigm with placemaking						Ethan Kent
	Bicycle journalism, solo-woman filmmaking, the unearthing of a global cycle and the almost certain future of cities						Bojun Bjorkman-Chiswell
	Transformational leadership in action						Janette Sadik-Khan
	Cycling Luminaries Award - Pimp my bike - cycle chic (Australia)						
	Cycling Luminaries Award - Bike culture and behaviour change (Australia)						
	Cycling Luminaries Award - Leadership (Australia)						

1800-1930	Velo Vino Mix and mingle with other delegates over drinks and finger food						Foyer F

2000-2130 Moving image bike tour

WEDNESDAY 28 MAY 2014 — Adelaide Convention Centre

0700-0930	**Big Bike Ride Brekky** **Breakfast in the recently redeveloped centre of Adelaide** **then join the bike parade through city streets to the Convention Centre**	**Victoria Square/Tarntanyangga**
0930-1030	**Plenary**	**Hall E**
	Cycling as the engine for financially and socially sustainable cities	Niels Hoe
	New research on the health impacts of land use and transportation investment decisions: new tools to support evidence based decision making	Larry Frank
	Cycling Luminaries Award - Built environment and urban design (Australia)	
1030-1105	**Spin cycle presentations**	**Hall E**
	Conversations…how they are assisting people to get out of their cars	Samara Farrell
	Rebuilding Christchurch as a cycle city	Ruth Hudson
	Safety marking of the door zone in cycle lanes	Tim Hughes
	The journey of Singapore's Park Connector Network (PCN)	Thomas Yee
	Retro-reflectivity, low-light visibility and the sartorial cycling revolution	Luke Elrath
	The Belair Hills - a journey of learning, transformation and accomplishment	Matthew Pears
	Bicycles in Rio de Janeiro: reclaiming space and achieving GHG abatement targets	Clarisse Linke
1105-1135	**Morning tea**	**Velo Exchange**

1135-1310	Wayfinding: helping people to navigate by bike	Pushing bikes through policy	Getting more bums on bike seats	Facilities and infrastructure making bikes the easy option	Public bike sharing: adding bikes to the public transport mix	Capitalizing on the cycle tourism boom	Cargo and customers to your door
Room	Hall A	Hall B	Hall C	Hall D	Hall E	Meeting room 1	Meeting room 2
Chair	Benjamin Russ	Klaus Bondam	Tuesday Udell	Jan Garrard	Vicky Yang	Hsinwen Chang	Mark Elford
	Strategising for uniqueness - creating a city wide and Park Lands wayfinding strategy	From marginalised to mainstream? Cycling in Ireland 2005-2015	Motivators for utility cycling among recreation-only cyclists	Cycling infrastructure provision and accessibility	Performance-based planning and analysis for bicycle share systems	Successful leadership models and techniques for growing bike tourism	Looking back to look forward: Adelaide and the rise of the long-tail cargo bike
	Ian Rooney	Jonivar Skullerud	Kristi Heesch	Chris Standen	Clarisse Linke	Jim Sayer	Jeremy Miller
	Signing bicycle networks - showing the way to increasing bicycle use	Basel, the most bike friendly city in Switzerland? Some insights into Basel's cycling strategy	Darwinism and the art of bicycle intervention program development	How can infrastructure attract new cyclists?	Why do cyclists use public bike systems: transport or recreation?	Which tool in your toolbox can best fix cycle tourism?	Thinking outside the parking space; combining behaviour change and infrastructure to increase cycling
	Warren Salomon	Martin Dolleschel	Christian Haag	Habib Khan	Hee Cheol Shin	Craig Grocke	Dawn Kanofski
	Cycling the green wave	Using organizational policy to deliver cycling infrastructure in Queensland	Evaluating Try2Wheels and its role in enabling beginners to cycle in Sydney	How do we double cycling? Design for the people who don't ride now	Modelling an urban pedelec sharing system	Sharing the love - can cycle tourism really benefit everyone?	Cyclelogistics, freight logistics by bike becomes more and more a professional process
	Daniel Kofler	Adam Rogers	Caitlin Brookes	Jon Giles	Svenja Reiss	Michael Bridge	Ton Daggers
						What it takes to deliver a fully integrated package of cycling experiences and facilities	
						Dafydd Davis	
1310-1410	**Lunch**						**Velo Exchange**

1410-1545	Round table presentations Ideas market and movie show	Round table presentations The classic	Round table presentations The classic	Round table presentations The classic	Workshop
Room	Hall A	Hall B	Hall C	Hall D	Hall E
Chair	Adam Spencer	Tim Papandreou	Janelle Hynd	Don McNeill	
	The movilization game	Bicycle friendly business program	Revolutions in cycling navigation	Mind the gap: How Wellington cyclists and motorists use road space, and the implications for bicycling regulation and training	Partners in Creating Healthy Places - The co-benefits of investing in active transport
	Ton Daggers	Melinda Bald	Simon Kennett	Alastair Smith	The Heart Foundation

Right column (tours):

| 1125–1600 Way2Go tour |
| 1400-1600 Marino Rocks Greenway/Mike Turtur Bikeway tour |

				1400-1600
Incentives for the promotion of the bicycle	Cooperation in space efficient transport systems - how rebuild a car independent city?	Overcoming the inferiority complex: an improved public policy model for cycling and active transport	Cycling policy for the majority	**Bike Art Trail guided tour**
Ruud Ditewig	**Erika Björnsson**	**Ian Ker**	**Burkhard Stork**	
Integrating the softer side of sustainable urban mobility to bicycle parking facilities in Sweden	Renewal of urban bicycle use in the west from case studies while the east discards them	An Early Warning Sensor (EWS) model, suitable for bicycle accident prevention	Using crash prediction models to produce safer routes for cycling	
Tina Giannopoulou	**Yves Bussière**	**Johan Scholtz**	**Shane Turner**	
Cycling and air quality: experiments in open data	You've just been passed by a girl - the velo fille story	Motivations for promoting cycling: bicycle friendly transport policy increases both safety and numbers	Did God ride a bike to Iceland? Remarkble social changes after 2008	
Amalia Holub	**Kaylene Chaproniere**	**Terhi Lukkonen**	**Sesselja Traustadottir**	
Nice Rides	Cycling in the United States and New Zealand - lessons learned	Making narrow road space safe for cyclists	Contemporary thoughts on bike planning in Oz	
Daniel Kofler	**Sam Corbett**	**Mark McDonald**	**Dick Van Den Dool**	
Urban cycling - a key enabler of an asset light life	Let the kids ride	Frome Street Bikeway - a tale worth celebrating	Engaging municipalities, stakeholders and communities to realize great cycling infrastructure	
Andrew Leunig	**Terry Eveston**	**Anna McDonald**	**Sjors Van Duren**	
Filtered Permeability - A quick fix for grid layout cities?	Cycle Salisbury - One Council's approach to getting more people riding, more often	In Rio different groups keep moving towards a cycle friendly environment	Bike the track/ track the bike	
Benjamin Russ	**Cathie Graham**	**Annie Faco**	**Patrick Van Egmond**	
CounterPoint: where everyone counts	Calming and sharing instead of segregating the modes - the Basel approach	Seniors cycling in paradise	The implementation of a more bicycle friendly urban development	
Anders Swanson	**Alain Groff**	**Taylor Ritenberg**	**Anton Västberg**	
Can we seduce cyclists to alternative routes?	Active mobility - new ideas for cycling related research	Cycle Instead Journey Planner - a behaviour change tool driving cycling for transport	Cycling places and spaces in Eastern Europa - Vision, EU funds, crowdsourcing and more	
Herbert Tiemens	**Martin Held**	**Bernhard Sayer**	**Dorota Wisniewska**	
Using cyclist detection software to count cyclists in video and measure their speed	The 'Just-a-Mile' of a transit oriented region	From outlaws to custodians: mountain biking in South Australian parks - a tale of passion and partnership	Sharing space in a lively inner-city shopping street - Mariahilfer Strasse, Vienna	
Jeremy Wooley	**Cole Hendrigan**	**Carol Schmidt**	**Ursula Zappe**	
How can urban developments instil cycling culture?				
Andrew Bishop				
Commanding public acceptance of cycling initiatives through a national cycling policy and strategy: the Nigerian experience				
Osita Chidoka				

1545-1615	**Afternoon tea**	**Velo Exchange**
1615-1650	**Spin cycle presentations**	**Hall E**
	Training traffic engineers to see the world from behind the handlebars	**Warren Salomon**
	The role of maps & apps in the growth of urban cycling	**Andrew Leunig**
	Getting employees riding by successfully starting a workplace bike fleet	**Ashlea Bartram**
	Free bikes benefit business and government - but the real winners are people	**Michael Bridge**
	Impact evaluation of a national cycling skills program (AustCycle) in Australia 2010-2013	**Chris Rissel**
	An idea contest with one million Euros to get more people on their bikes in the Netherlands	**Sjors Van Duren**
	A study on potential usability of Tandem Bicycle for visual disabilities	**Yuki Yoshida**
	Bike-friendly parklets, portable bike corrals, pop-up bike lanes and all things temporary	**Kay Cheng**

1655–1805	Sub-plenaries		
	Global trends in cycling	**How to attract cycle tourists**	**Leadership challenges in treating cities as public space**
Room	Hall B	Hall C	Hall E
Chair	Kevin Mayne	Christian Haag	Adam Spencer
	Presentations followed by a panel discussion facilitated by Kevin Mayne **Tracey Gaudry Tony Lo Klaus Bondam**	A cycle tourism workshop with **Peter Eich**	Presentations and a facilitated discussion with mayoral representatives of cities from around the world, all at different stages of their journeys to become bike-friendly cities **Stephen Yarwood Per Ankersjö Morten Kabell Maria Vassilakou**
1930-late	**Velo Supper Club** A conference dinner hosted by Australia's festival city was always bound to be different. Velo Supper Club will be a great night of fantastic food, wine and music in a very cool setting. Party till late with new friends and old.		**Masonic Hall, Freemasons Lodge, North Terrace**

THURSDAY 29 MAY 2014   Adelaide Convention Centre

0900-1035	Lifting the lid on Australia's helmet laws	The interplay of infrastructure, behaviour and mode choice	Big ambitions: Auckland, Brisbane and Christchurch	Building the cycling community through online engagement	Engaging the media to put a positive spin on cycling	Visitor experiences: better by bike	From shearers to sports stars: Australian stories of bike riding	0830-1030 Wayfinding on the Park Lands Trail
Room	Hall A	Hall B	Hall C	Hall D	Hall E	Meeting room 1	Meeting room 2	
Chair	Terry Ryan	Martin Held	Sandy Verschoor	Kevin Mayne	Stephen Hodge	Jeremy Miller	Don McNeill	
	Helmets - sex, racism and Peter Allen	Traffic calming and bike facilities. A match made in Heaven?	Auckland joining the world cycle Supercities	Spatial crowdsourcing for better community engagement	Cycling a positive media spin	Bike tourism and cycling service centre in Taiwan	Early bicycle transport patterns in rural Australia	
	Michael Bridge	**Jackie Fristacky**	**Melanie Alexander**	**Anthony Aisenberg**	**Phil Latz**	**Hsinwen Chang**	**Jim Fitzpatrick**	
	Australian mandatory helmet legislation - a clear example of failed public health policy	An evidence-based assessment of the impact of cycling infrastructure in South East Queensland	The biggest bikeway program in Australia - Is the investment paying off?	I cycle therefore I am! How to use self-tracking in cycling promotion	Cycling into the mainstream: why bike baskets are an effective advocacy tool	Engaging communities in planning for cycling in South Australia's protected areas	Following the trail of Mawson: re-cycling polar explorers in Australia's southern landscapes	
	Chris Rissel	**Michael Langdon**	**Robyn Davies**	**Marianne Weinreich**	**Patrick Morgan**	**Barry Hayden**	**Mark Pharaoh**	
	Neo-political action and a new public policy paradigm - a case study of mandatory bicycle helmet laws	The effect of cycling for transport on use of other transport modes	Will Christchurch be rebuilt as a cycling city: progress and reflections three years on from the earthquakes	The one becomes many: building community capacity through an online cycling forum	The bicycle advocate and the journalist: achieving cultural change through clever media engagement	Bicycle tourism promotion strategy in Nara, the lovely ancient capital of Japan	The human motor: Hubert Opperman and endurance cycling in Australia	
	Ian Ker	**Julie Hatfield**	**Simon Kingham**	**Angus Kingston**	**Julian Ferguson**	**Hideo Yamanaka**	**Daniel Oakman**	
1035-1105	Morning tea						Velo Exchange	1050-1250 Bowden by Bike
1105-1240	Spaces and places for good bike parking	Can two feet and two wheels share space?	Pedalling toward a better quality of life	Building bike friendly cities through community engagement	Behaviour change techniques to get more people riding bikes	Collecting and using data on cycling behaviour	Regional Australasian cities: better by bike	
Room	Hall A	Hall B	Hall C	Hall D	Hall E	Meeting room 1	Meeting room 2	
Chair	Aletta Koster	Natasha Malani	Piotr Kuropatwinski	Niels Hoe	Trevor Shilton	Gemma Kernich	David Chick	
	Good bike parking facilities support cycling and create good public space	Japanese challenge to shift bicycles back from sidewalk to roadway	The relationship between cycling and quality of life in a car-oriented society	Building a cycling city	How to promote cycling more effectively by understanding the behaviour change journey	Monitoring bikeway use in Brisbane - good facilities attract more users	The model community story	
	Anita Dirix	**Hirotaka Koike**	**Melanie Crane**	**Cathy Oke**	**Thomas Stokell**	**Andrew Macbeth**	**Gerry Dance**	
	Creative cycle infrastructure: Making our cities fun and safe for cycling	An investigation of behaviour and attitudes relevant to the user safety of pedestrian-cyclist shared paths	A car free year in Adelaide: Lessons learned	We don't build cycleways, we build community facilities - Delivering cycle facilities through community spaces	Low cost interventions to encourage cycling	Advances in vision based data collection in high density cyclist traffic	Transforming Albany into a cycling city from the bottom up	1050-1250 Wayfinding on the Park Lands Trail
	Anthony Lau	**Julie Hatfield**	**Andrew Leunig**	**Myfanway Lawrence**	**Rod Katz**	**Tarek Sayed**	**Murray Gomm**	

Setting the stage for cycle culture in Auckland: Posonby Bike Corral project	Speed management guidance for shared paths	Can bicycles save Taiwan? Wicked problems of obesity and degenerative diseases	Breaking new ground in Christchurch - after the earthquakes	Way2Go safer, greener, more active travel in 130 South Australian primary schools	Quantifying level of service for bicycle riders on paths and roads	Dunedin - leading the way in cycle planning in New Zealand
Anja Vroegop	Warren Salomon	Contessa Hajinikitas	Michael Ferigo	Sue McMillan	Cameron Munro	Axel Wilke

| 1240-1340 | Lunch | | | | | Velo Exchange |

1340-1453 — Sub-plenaries

Developing trails as sustainable assets: the how, what and why	Safe cycling: healthy people, healthy communities	Catering for diverse needs	Influences on sustainable mobility
Room Hall A	Hall B	Hall C	Hall E
Chair Christian Haag	Terry Ryan	Bojun Bjorkman-Chiswell	Adam Spencer
A cycle tourism workshop with	High visibility and cycling - balancing safety and culture	Meeting the cycling needs of women, children and older adults: what can cycling's 'missing demographics' tell us about increasing the bicycle mode share of transport trips?	Inventing building typologies and urban morphologies that proceed from bicycle motion
Dafydd Davis	Glen Koorey	Jan Garrard	Steven Fleming
	More people riding = healthy everything	(De)gendering cycling	Bike riding is booming – but is the current progress quick enough?
	Trever Shilton	Jennifer Bonham	Craig Richards
	Health policies and cycling in Thailand	Mobility and social equality in Australia: how DisabilityCare Australia promotes better mobility and cycling	SF from start(er) to finish: how San Francisco is tripling bike mode share by 2018
	Thongchai Panswad	Peter Lumb	Timothy Papandreou

1458-1532 — Spin cycle presentations — Hall E

Turning suburbs into living neighbourhoods by empowering communities to take action	Chelsey Key
From the archives: a history of cycling in Adelaide	Jeremy Sibbald
Exploring cycling as an (un)remarkable occupation of western cities	Alice Lewis
Wheel stylish - fashion in motion	Isabella Cawthorn
Less kids on bikes? - Call for action!	Martin Dolleschel
Social bicycling and tricycling in Warrnambool	Clare Vaughan
Polar opposites': Lessons from similarities and anomalies	Will Andrews
Small street connectivity; Sturt Street Adelaide - a demonstration	Matthew Mayes

| 1532-1600 | Afternoon tea | Velo Exchange |

1600-1800 — Fast pedalling ideas — Hall H

Chair	Janelle Hynd
	A high gear 'speed networking' process that gives every delegate the opportunity to share and build on the ideas, reflections and inspirations they'll take home from the conference

1830-2000 Moving image bike tour

2030-2200 Moving image bike tour

FRIDAY 30 MAY 2014 — Adelaide Town Hall

0830-1005	Peddling cycling to the pollies	Not all cyclists are the same: Considering riders' preferences in network planning	Reducing conflict in shared space	Super cycleways for commuting	How do we stack up? Measuring cities' success in cycling	A safer system by design	Workplaces and educational institutions as champions of cycling
Room	Auditorium	Banqueting room	Meeting hall	Queen Adelaide room	David Spence room	Prince Alfred room	Level 6 Training room
Chair	Peter Smith	Glen Koorey	John Illingworth	Jens Loft Rasmussen	Jennifer Bonham	Jeremy Wooley	Michael Bridge
	Thinking outside the wheel	Formation of a bicycle route choice algorithm in the urban planning context	Towards a better integration of cyclists and other road users	Super cycleways in Europe - an overview	Bicycle climate test	Riding fun starts with a sense of safety	Voyencletauc
	Stephen Hodge	Mamun Rahman	Bernd Hildebrandt	Fabian Küster	Burkhard Stork	Simon Kennett	Maryon Urbina

0800-1000 Frome Street Bikeway

Shifting gears; the politics of gear changing	Innovative methodology for the design of bicycle pathways	Visualising desire lines - how data visualisation can inform and improve urban planning	A regional - urban network of fast cycling routes	From Starter to Champion	Bicycle accidents analysis and development of bicycle facility design at intersections	Barriers and incentives to cycling among staff in an Irish academic hospital	0830-1000 River Torrens Linear Park in the city by bike
Christopher Dempsey	**Marco Petrelli**	**Kah Chan**	**Sjors van Duren, Herbert Tiemens**	**Kalle Vaismaa**	**Tien-Pen Hsu**	**Kirsten Doherty**	
Vote4Cycling - the first national call for action	Sub-cultural flow and bikeway morphology	Cyclists, pedestrians and drivers living together in shared space		Creating a bicycle friendly Taiwan: Ranking the bicycle friendliness of Taipei and Kaohsiung	Building a safer cycle culture	Corporate leadership to foster bike riding	
Peter Bourke	**Rafael Upcroft**	**Pieter de Haan**		**Hsaio-Yun Wu**	**Anja Vroegop**	**Ryan O'Neill**	

1005-1045	**Morning tea**	
1045–1230	**Plenary**	
	Mobility for Future Cities	**Florian Lennert**
	Cycling Luminaries Award - Leadership: (International)	
	World Cycling Alliance	**Bernhard Ensink**
	Legacy announcement and farewell from Adelaide	**Lord Mayor of Adelaide Stephen Yarwood and The Hon Stephen Mullighan MP**
	Presentation from Nantes and official handover	
	Kaurna Farewell	**Jack Buckskin**
1300-2130	**Optional workshops and tours**	
1300-1630	Craigburn Farm – from cows to bikes	
1330-1700	Mitcham urban fringe trail ride	
1300-1530	Changing the way people move - a travel behaviour change approach	
1300-1700	People, places and iconic buildings	
1330-1530	Bike Art Trail guided tour	
1330-1530	Outer Harbor Greenway to St Clair by bike and train	
1330-1530	Bowden by Bike	
1330-1530	Marino Rocks Greenway/Mike Turtur Bikeway tour	
1330-1530	Frome Street Bikeway	
1400-1630	Placemaking	
1800-1930	Moving image bike tour	
2000-2130	Moving image bike tour	

CONFERENCE END
